RoHS-Certificate

- *To Weidmüller and its subsidiaries* –

This is the certificate in reference to the **EU directive 2011/65/EU** “*on the restriction of the use of certain hazardous substances in electronic and electric equipment*” (RoHS 2), including all amendments to the EU directive.

We herewith confirm that all products, which are currently delivered and those which will be delivered to Weidmüller and its subsidiaries, are in full compliance with the above mentioned directive irrespective whether the products themselves are in the legal scope, the products do not contain any substances, which are forbidden or restricted according the requirements resulting from RoHS including all amendments to the EU-directive.

Should the delivered products qualify for a RoHS exemption (2011/65/EU Annex III), we will inform Weidmüller about product number and exemption number in writing immediately.

(Place, date of sign)

(Sign)

We are aware that we have to state all changes concerning the compliance of the above mentioned EU directive, before these items will be delivered to one of the Weidmüller group members and understand that companies within the Weidmüller group are authorised to copy this certificate to their customers and that failure to state the correct facts with respect to the above mentioned statement may cause Weidmüller’s and therefore our own liability.

If Weidmüller detects a breach of the above mentioned statement, we are requested to disprove these results, on Weidmüller’s request, with an accredited laboratory according an appropriate measurement method given in the current version of IEC 62321.
